THE MAYOR'S COLUMN – BUSINESS FOCUS ON M&O SPIRITS

It recently came to my attention that we have not had a “Business Focus” article on M&O Spirits even though they have been in Ashville since 2017. First, I want to thank them for stepping up during Covid-19 and producing Hand Sanitizer. They, like other business, deserve our Gratitude for stepping out and doing something to help.

M&O Spirits also have distillery tours. They want to share their passion with patrons every time someone walks through their doors. As they ramp up their production, Doug has less time to talk, so be sure to give them a call to schedule a tour.

Below I am standing next to Doug McLaughlin the Master Distiller for M&O Spirits. It was very interesting to hear how they produce the different products sold. They use grain grown around the Ashville area. The photo displays the awards they have won.

You'll learn about the history of M&O, their passion for local farmers, fresh grains, and at the end, let you sample some of our spirits straight from the barrel. Groups ranging from 4-10 people (adults of drinking age only) can see, hear, smell, and taste what true craftsmanship goes into each batch. You will get to see each step of the Distillation process. At the end of your journey, you will have the opportunity to purchase their products. Here are examples of what they produce.

They produce handcrafted Spirits, Distilled in Ashville. This was accomplished by long-time friends and owners Doug McLaughlin, Master Distiller, and Mike Orozco. Their goal was to bring distilling back to Ashville Ohio.

Yes, you may not have known this fact but Ashville has this as part of its history. In 1812 two distilleries were built near Ashville and were owned by William and Richard Staige (Stage).
